Dear Ms. Wilhelm:

The Oxford House, Inc. proposal, responding to RFP OTI-90-0002, was submitted by Paul Molloy without the knowledge or approval of the Oxford House board of directors.

We strongly object to Oxford House becoming associated in any way with houses for methadone users or houses exclusively for convicted felons.

At a "town meeting" of Oxford House house presidents and others on August 21 there was the overwhelming sentiment that the proposal be delayed until the board of directors can consider it, at which time we hope and believe that it will be formally withdrawn.
